Not just any turkey, it's a Mainsgill Turkey

The Henshaw family have been making Christmas's extra special for over 50 years traditionally rearing succulent turkeys. Our turkeys are grown naturally and slowly here at our family farm to reach full maturity fed on our own specially mixed cereal diet. Our turkeys are hand-plucked and dry hung for ten days to develop flavour.

Home Reared Zero Food Miles
Full traceability Highest Quality
Succulent, tender & full of Flavour

Why choose Mainsgill's Meat

Maintaining our vision of over 20 years ago, we traditionally rear our beef, lamb and pork as we did when Mainsgill Farm first begun. Our cattle and lambs graze on the lush pastures of the Holmedale Valley here at Mainsgill, while our pigs are fed on a unique cereal diet. We are a 'real' farmshop offering a shop floor to our livestock farm, with no food miles. Our passion and drive is to provide the highest quality home reared produce, keeping alive the farming culture of yesteryear for our future generations.
